Address:

Grand Marais

Price:

30.00 \$

1954 Montgomery Ward Sewing machine (Round Bobbin, Model 185A) is not in operating condition, but could be! Operating models go for \$50 alone. This is mounted inside a classic Singer Sewing Machine base, worth at least \$80. The wood finish could use some TLC, but the wrought iron base is as perfect as ever. Measures 18" deep x 36" wide x 29.5" tall. This item is heavy, and you'll need a pickup/large SUV to transport it (pick-up only, located in between Hovland and Grand Marais).
